Hello Estell Manor Families:

As you know, the Estell Manor School has been closed over the past several weeks to help prevent the further spread of coronavirus (COVID-19). On Thursday, April 16, Governor Murphy announced an extension to the school closures in our state. The current plan is to keep schools closed at least through May 15.

Our teachers and staff are still hard at work to continue to provide off site learning to students. As a result of the extension, it has become necessary for additional materials to be delivered for some grades. These materials will be delivered on Tuesday April 21. If you will be receiving materials, there will be an all-call on Tuesday morning to let you know when to expect them and they will be placed at your door by a staff member.

This has been an incredibly challenging time for the entire Estell Manor community. I want to thank you again for your patience and understanding as we have dealt with this unprecedented situation. We will continue to keep you updated via email, social media, and our website, at estellmanorschool.com.

Once again, thank you, stay healthy, and have a great weekend.

Sincerely,
