Dear Estell Manor School Families,

We are excited to be opening our doors and welcoming your children back into school Monday morning! Several important documents have been uploaded to the school's website and can be filled out electronically. In anticipation of a busy Monday morning, please keep in mind the following reminders:

1. As part of our reopening plan, students will need to have a wellness screening every morning before coming to school. The wellness screening can be completed on the Share 911 website or app. If you are using the app and allowed notifications, you will receive a reminder to complete the wellness screening at 7 am and a second reminder at 7:30 am. If you do not yet have a Share 911 account, please complete a hard copy form of the same four questions asked on the app. A fillable wellness screening form is uploaded on the school's website. You can fill the form and email it to nwanner@estellmanorschool.com
2. Children must also follow all health guidelines (social distancing, wearing a mask, frequent hand washing). Thank you in advance for preparing your children and practicing at home.
3. Wildcat's Den will begin on Monday at 7:00 am. The wellness screening must be completed prior to children entering the school building. Drop off and pick up are at door 13 around the back of the school. Please provide your child with a sealed snack and drink for after school.
4. Student drop off is between 9:00-9:10 in the front of the school at door 2, next to the kindergarten classroom. Homeroom will begin promptly at 9:10.
5. Dismissal is at 2:15. If you will be picking up your child, please be sure to let us know through school dismissal manager. Student pickup will be at door 11 in the back of the school building.

Thank you for your continued support and patience. We look forward to seeing all of our EMS students Monday morning!
