Dear Estell Manor School Community:

It is with much enthusiasm I introduce myself as the Interim Superintendent of the Estell Manor School District. It is my hope to bring the experiences I have acquired over the years, serving as district superintendent in other communities, to your deserving school community.

It is clear the staff has worked tirelessly to accommodate our students both in the classroom and through virtual learning. As challenging as this can be, it is critical for all of us to continue to work together for the sake of health, safety, and education. Thank you for your diligent efforts in doing so in order for the school district to maintain procedures and protocols as recommended by the New Jersey Department of Health.

Please feel free to reach out to me by email or phone at any time should you feel the need. I look forward to being a part of this great school district and the opportunity to meet you in the near future.

Sincerely yours,
