Dear Parents and Guardians of 8<sup>th</sup> Grade Students:

This letter is to let you know that Buena Regional High School (BRHS) counselors will be visiting Estell Manor School to provide information and register students planning on attending their high school during the 2020-21 academic year. (Please see below for important dates and times of up-coming programs from BRHS.)

**Special Notes:**

- At the “Student & Parent/ Guardian Information Session” on January 30, BRHS will be providing information on their programs and all the forms needed to register for their high school and select classes for September.
- At the “Registration & Course Selection” on February 13, students will meet with counselors from BRHS to schedule classes for their freshman year.

Parents are welcome to attend these programs, but it is not required.

If your child has applied to either Atlantic County Institute of Technology, Charter Tech High School for the Performing Arts or another choice high school option and you are still waiting to hear about acceptance, we would encourage you to register at Buena Regional High School in order to ensure that your child is registered to attend a high school program. If, after you have registered your child for Buena Regional High School, your child is accepted at another high school, you would simply need to call Buena Regional High School to withdraw your registration.
